Children's Book Project

Dear Parents and Carers,

We are delighted to announce the launch of our Autumn term Book Gifting Event, part of the *Discovery Programme* and run in partnership with the Children's Book Project, a literacy charity dedicated to tackling book poverty.

This programme offers an exciting opportunity for every child in our school to choose and take home six books of their own over the course of the year. All books are completely **free of charge** and are for children to keep or pass on to friends.

Across the year, children will take part in three unique book-gifting events—one each term—designed to nurture positive reader identities, boost motivation to read, and celebrate the joy that comes with choosing and owning books.

All children are automatically invited to participate, and we will keep you informed of upcoming dates. The first event will be held on **Tuesday 9th December** where your child will be able to select 2 books to take home and keep. We encourage you to talk with your child about the books they choose and enjoy exploring their new stories together.

During each event, children will be supported with informal book talk and encouraged to discuss their interests. The experience is designed to help build their confidence as they browse and select books to take home.

We look forward to seeing the books your child chooses and hope they bring great enjoyment.
