Dear Parents/Carers,

As many of you know, I have had the privilege of being part of our school community for over three years, serving as Deputy Headteacher. In that time, it has been a joy and a privilege to watch your children grow—not just academically, but in confidence, character and kindness.

It is with a full heart that I now step into the role of Head of School. This community already feels like home to me and I am truly grateful for the trust you place in us each day. I am excited to continue walking alongside your children as they move through their primary years, supporting them, celebrating them and championing all they can become.

As attendance lead, one of my greatest joys is seeing children walk through the school gates each morning ready to learn. Every day matters, and every moment is an opportunity for them to discover something new about the world—and about themselves. My vision is to help every child develop the skills and confidence to become a lifelong learner: someone who is curious, ambitious and unafraid to dream.

I believe wholeheartedly that learning should spark joy. When children feel excited to explore, feel safe to make mistakes and feel proud of their progress, they begin a journey that can truly change their lives. Here at Kidbrooke Park, we will continue nurturing high aspirations, encouraging each child to be the very best version of themselves and guiding them to lead with kindness in all they do.

Thank you for welcoming me so warmly over the past three years, and for the partnership we share in helping your children thrive. I look forward to deepening those connections as I step into this new role. Please know that I am here to listen, support and work alongside you.

I am very much looking forward to welcoming all of our children back in the new year on **Tuesday 6th January**, ready for another exciting term of learning and growth.

I am filled with excitement for all the memories still to be made and all the achievements still to come.

Yours faithfully,

M. Najak
