Executive Headteacher: Ms Holly Gibson

Head of school: Ms Muneera Najak

Deputy Head: Mrs Lindsey Gray

Tuesday 6th January 2026

Dear Parents and Carers,

We are delighted to inform you that our students will be taking part in Art Week, with this year's exciting theme being Beasts and Creatures.

Throughout the week, children will explore their creativity by designing creatures, such as dragons, unicorns and sea creatures. We will be experimenting with a variety of art techniques and materials, encouraging imagination, storytelling, and creative confidence.

Please find below which creature your child will be focusing on:

EYFS – Dragon

Year 1 - Unicorn

Year 2 – Loch Ness Monster

Year 3 - Phoenix

Year 4 - Anansi

Year 5 - Kitsune

Year 6 - Yakumama

As part of our sustainability objective, we will be focusing on recycling and the importance of reusing materials. We are kindly asking families to support this by sending in clean, safe recycled materials that could be used for art projects. Suitable items may include cardboard boxes, tubes, plastic bottles, lids, egg cartons, or other packaging materials. Using recycled resources helps children understand how creativity and care for the environment can go hand in hand.

We are also pleased to invite parents and carers to view the children's finished artwork on **Friday 16th January**. We hope you will be able to join us to celebrate their efforts and creativity!

All Art Week activities will take place during the school day, and all additional materials will be provided by the school.

Thank you for your continued support. We look forward to sharing an exciting and creative week with the children.

Kind regards,
Miss Bennett
