

Kidbrooke Park Primary School

Year 2 Curriculum Overview

Summer 2

Reading

Our author focus this half-term is Zanib Mian. She is a popular children's author, and we will be exploring a number of her books over the half-term. Please encourage your child to read at home - just before bedtime is a good way to relax ready for sleep.

$$\square \times 3 = 9$$

Maths

We will begin the term focussing on Time, Statistics and Position and Direction. The rest of the time we will be revisiting and consolidating prior learning in preparation for next year. We will be developing a number of strategies when adding and subtracting. We will also focus on multiplication and division. We will be working hard to develop both arithmetic and reasoning strategies.

English

We are using the book Lila and the Secret of the Rain to inspire our writing. This is a beautiful story which addresses the issues of extreme weather, the world resources, folk law and diverse community.

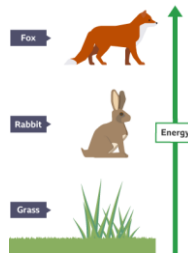

PE

We will be developing Net and Ball skills and a variety of different Athletic activities in preparation for Sports Day. Children will continue to work on collaboration and teamworking skills.

Science

This half term we are continuing learning about Living things and their habitats, focusing on minibeasts and food chains. This will include understanding the transfer of energy from different living things and key terms such as producer, predator and prey.

Geography

We are continuing to explore the differences and similarities between Egypt and the UK that we looked at before Easter, this time, we will focus more on the River Nile and the River Thames.

Computing

Each half term we revisit e-safety. Our focus here will be on copyright and ownership. Our main learning in Computing will be learning to code using the following website: www.rodocodo.com Feel free to try it out yourselves at home.

RSE

This half term, Year 2 will be having their RSE lessons. A letter has been sent inviting all parents/carers to a meeting so that you know in advance what we shall be teaching this half-term. The meeting is on **Thursday 11th June**.

RE

We will be continuing to learn about Islam this term. We will learn about the Five Pillars and how they are fundamental to the beliefs held by followers of Islam.

PSHE

We will be thinking about our community, diversity and families. We will also be thinking about rules which keep us safe and stranger danger.
